## **IASA Announces Open Nominations for the 2025 IMPACT Awards**

**Malvern Pa. (March 3, 2025)** – The Insurance Accounting and Systems Association (IASA) is pleased to announce that nominations for the 2025 IASA IMPACT Awards are open through March 28. This is an opportunity to recognize outstanding contributions to the insurance industry, and nominations are welcome from both IASA members and non-members alike.

“We are excited to highlight the Industry Trailblazer Award, which honors a company that has made a significant impact through product innovation, exemplary customer service, sustainability efforts, or corporate strategy,” Rod Van Genderen, IASA Advisory Board Chair-Elect. “If you know of an organization setting new standards in the industry, even if that company is yours, we encourage you to submit a nomination!”

In addition to the Industry Trailblazer Award, two individual honors are also open for nominations: IASA Volunteer of the Year and Speaker/Educator of the Year. These awards recognize IASA members who have made extraordinary contributions in volunteer service and educational efforts within IASA.

Nominations for all three awards will be accepted through March 28, 2025, and winners will be announced at IASA Xchange™, June 8, 2025, in St. Louis. For more information and to submit your nomination, visit [iasa.org/awards](http://iasa.org/awards).
